Notes for Settings & Preferences
For descriptions of features and functions available when connected to ESCORT Live, visit Beltronics.com and download the Beltronics GT-1 Owner's Manual.

To restore Beltronics GT-1 to its original factory settings, press and hold **MUTE** and SEN while powering on detector. **Restored** message will display, acknowledging the reset.

Software Updates
Beltronics GT-1 is easily updated using our exclusive detector software tools found on our web site. Firmware, or the operating software for the detector, can be updated using these tools.

In order to have access to these updates, please register your Beltronics GT-1 at www.Beltronics.com. Once registered, you will receive email notifications that updates are now available for your firmware. To handle your software updates you need to connect your Beltronics GT-1 to a computer.

You can connect Beltronics GT-1 to a computer via Micro USB/USB A cable (not included).

Beltronics USA, Inc.
5442 West Chester Road, West Chester OH 45069

Beltronics One Year Limited Warranty
What this warranty covers: Beltronics USA, Inc. ("Beltronics") warrants your Product against all defects in materials and workmanship.
For how long: One (1) year from the date of original purchase from an authorized Beltronics dealer.
What we will do: If a breach of warranty occurs, Beltronics, at its discretion, will either repair or replace your Product free of charge.
What we will not do: Beltronics will not pay shipping charges that you incur for sending your Product to us.
What you must do to maintain this warranty: Show original proof of purchase or receipt from an authorized Beltronics dealer.
Warranty exclusions: This warranty does not apply to your product under any of the following conditions: 1. The serial number has been removed or modified. 2. Your product has been subjected to misuse or damage (including water damage, physical abuse, and/or improper installation). 3. Your product has been modified in any way. 4. Your receipt or proof-of-purchase is from a non-authorized dealer or internet auction site, including E-bay, U-bid, or other non-authorized resellers. 5. You are not the original purchaser of the Product from an authorized dealer or did not receive it as a gift from the original purchaser of the Product from an authorized dealer.
To obtain service: 1. Contact Beltronics (1-800-341-2288) to obtain a Return Authorization Number. 2. Properly pack your Product and include: your name, complete return address, written description of the problem with your Product, daytime telephone number, and a copy of the original proof of purchase or receipt. 3. Label the outside of the package clearly with your Return Authorization Number. Ship the Product pre-paid (insured, for your protection) to: Beltronics USA, Inc., 5442 West Chester Rd., West Chester, OH 45069.
LIMITATION OF WARRANTY: The obligations set forth above are Beltronics' sole obligations and your exclusive remedy. Beltronics makes no other express warranty. Any implied warranty of merchantability or fitness for a particular pulpose that may be applicable to the Product is limited in duration to the duration of this warranty. Some States do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. BELTRONICS SHALL NOT BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INCIDENTAL DAMAGES INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING OUT OF THE USE, MISUSE OR MOUNTING OF THE PRODUCT. Some States do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Beltronics is not responsible for products lost in shipment between the owner and our service center. Other legal rights: This warranty gives you specific legal rights, and you may also have other rights which vary from State to State.

Images shown above appear when GT-1 is connected to your phone and ESCORT Live App.

Beltronics GT-1 features a new multi-color OLED display. Brilliant graphics illuminate intuitive icons that identify the type of threat at a glance.

The Beltronics GT-1 introduces the following state-of-the-art performance and features:
• Long-range K and Ka-band radar performance, including instant-on radar guns.
• Highway, AutoScan, and Auto No X settings.
• Exclusive Threat Mode tracks and displays up to 4 radar signals simultaneously.
• Exclusive Tech Mode provides actual numeric frequency for any radar signal and alert bar.
• The Beltronics GT-1 with built in Bluetooth® technology gives you access to ESCORT's award-winning App, ESCORT Live. Features when connected to ESCORT Live:
  • Our exclusive real-time ticket protection network, which warns you of upcoming alerts received by other users in the area.
  • Our DEFENDER Database, which warns you of verified speed traps, speed cameras, and red light cameras.
  • Our most popular GPS-powered features, including speed-limit data for over-speed alerts, live traffic data for your current location, and manual lock-out to help eliminate false alerts.

Follow these steps to register your Beltronics GT-1. You will need the detector's serial number to complete the registration.

1 Visit www.Beltronics.com and click Product Registration.

2 Click the "Registration for all devices" link.

3 Follow the onscreen instructions to register your device.

Be sure to write down the username and password you create, as you will need this information to access the ESCORT Live ticket protection App. (You will also receive an e-mail with this information, once you have registered your device.)

NOTE: GT-1 comes with 1-year free premium subscription to ESCORT Live™.

Live Ready!

For iPhone:

1 Ensure Beltronics GT-1 power is ON.

2 Open the App Store on your iPhone and search for **ESCORT Live Radar**.

3 Follow the onscreen instructions to download **ESCORT Live Radar** and then open the App.

4 When prompted, enter the username and password you create when registering your product at Beltronics.com.

5 Press the Settings button ⚙ then select **Devices**.

6 You should see **GT-1** listed with Not Connected underneath. Press the **GT-1** device entry and when prompted select Pair.

7 The Bluetooth icon on the **GT-1** display will appear to confirm that it is paired to your iPhone.

For Android based smartphones:

1 Ensure Beltronics GT-1 power is ON.

2 On your smartphone go to Bluetooth® Settings and make sure that Bluetooth® is ON.

3 Press Scan for devices and wait for the device list to populate, **GT-1** should appear under Available devices.

4 Press the **GT-1** device entry.

5 The Bluetooth icon on the Beltronics GT-1 display will appear to confirm that it is paired to your smartphone.

6 Open Google Play on your smartphone and search for **Escort Live Radar**.

7 Follow the onscreen instructions to download **Escort Live Radar** and then open the App.

8 When prompted, enter the username and password you created when registering your product at Beltronics.com

9 Open the App, walk through the tutorial, and you're ready to hit the road!

---

Beltronics GT-1 comes with a versatile EZ Mag Mount™.

To mount the detector in your vehicle:

1 Remove backing from StickyCup mount.

2 Firmly press StickyCup onto windshield and flip locking clamp to secure.

3 Slide the detector onto the mounting bracket until it's fully engaged. The magnet inside holds the detector in place.
---

4 To adjust view, loosen thumb wheel and adjust angle of mounting bracket. Tighten thumb wheel to secure.

5 To remove detector, simply pull the detector device off the mount bracket.

6 To remove mount from windshield, release locking clamp and pull tab on top of StickyCup.

StickyCup Care Instructions:
To clean your StickyCup, simply rinse under warm water, gently wipe off any debris and allow to air dry.

- Release Tab
- StickyCup
- Locking Clamp
- Thumb Wheel For Angle Adjustment
- Magnet Mounting Bracket

For optimum detection performance, we recommend the following:

• Using the EZ Mag Mount, mount your Beltronics GT-1 level, and high enough on your front windshield to provide a clear view of the road from the front and rear.

• Mount Beltronics GT-1 away from windshield wipers, other solid objects, and heavily tinted areas that might obstruct the radar antenna or laser lens.

Using GT-1

1 Plug small end of SmartCord into modular jack on GT-1 and large end of SmartCord into your car's lighter/accessory socket.

2 GT-1 should power on automatically. If not, press the device's power button. ⏻

NOTE: You can easily access and customize all of your Settings and Preferences by pressing and holding the MUTE and SEN buttons. See Settings and Preferences for details.

Using SmartCord
● Mute Button: Press to mute an alert.
● Alert Light: Lights red when receiving an alert.
● Power Light: Lights green when receiving power.

Modular Connector
Plugs into detector jack

Lighter Adapter
Connects to lighter/accessory socket

Earphone Jack
Connects to optional 3.5 mm stereo earphone.

Modular Jack
Connects to SmartCord for powering your device

Micro USB Jack
Connects to your computer via Micro USB/USB A cable for downloading software updates
